President's opening comments: Mr. Carpenter will not be able to join us tonight. He is focusing on the kids practice tonight.

Director of Operations report: Prop crew doing a great job. After this week props should be done. We are installing kickstands on props to help them not blow over from the wind.

Shelley ordered four different samples of fabric for the props. Waiting on approval from Carpenter on which fabric they will need ordered. Considering paying for overnight shipping to get fabric here in time once it's decided on.

Joe Johnson can drive both days for BOA but we'll need another driver for that weekend.

Co-Directors of events: Things have been going well and volunteers have been awesome.

We'll have a sign-up for Thursday, October 18th for first aid help.

Community night is coming up on Thursday, October 25th so we'll need help with that. We'll have candy and face painting. There will be a 50/50 raffle. Everything is free that night but we will be taking donations. We'll set up trick or treat booths like last year. There will be a sign-up going out for candy and non-candy items. There will also be a sign-up for volunteers that night. We are hoping volunteers for this event will be willing to dress up in costumes.

Jeff commented that we need to look at putting together an end of the year marching band celebration. The final count for Buick Drive was 406.

Steve Jones asked about maybe doing a community night like Avon at the beginning of the season and bring vendors in. Maybe even consider having a 5K. Jeff commented that is a great idea and we need people to execute these ideas.

Vice President's report: Nothing at this time.

Director of Revenue's report: We have the crew car wash happening now, October 1st thru October 31st. We have huge incentives.

Our dine to donate is October 24th. All day and they'll donate 20%. No flyer needed.

I still have show shirts available and hoodies.

Steve Jones asked if we could maybe look at getting the show shirt design put on hoodies as well.

Secretary: Jon emailed me the balance in the bank, \$16,474.42 as of October 1st.

President's report: Jon Doyle stepping down at the end of this month. Anyone considering being a treasurer?

I'm rotating out soon. I'll be here thru March. Mark expressed an interest in being President.

Sabrina Karam is working with Shelley Ross and is taking over as uniform mom for next year.

Joel Wolfe has been working on making a fun video of the band so that we could make a go fund type of request to get the other trailer skinned. Which will probably cost over \$7000.

Patty Price's daughter Emily is a senior and requested if we could split the \$1000 scholarship and name one of them after Zachary Dickman as well. We give the scholarship away at the end of the marching band season to a senior. Make it \$500 in Zackary Dickman's name and \$500 in Chester Drake's name. We talked with Rita and Darry Dickman and they agreed.

Jennifer House motioned to adjourn the meeting. Kelli Jones seconded it. All in favor.
